# TOWN WARRANT

---

## THE STATE OF NEW HAMPSHIRE

(L. S.)

*To the Inhabitants of the Town of Hampton Falls in the County of Rockingham in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at The Town Hall in said Hampton Falls on Tuesday, the Fourteenth day of March next, at Ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.

3. To see if the town will vote to have one (1) road supervisor instead of three (3) and elect a man to act as same.

4. To see if the town will vote to install a hydrant at Taylor River Bridge on the Lafayette Road and raise and appropriate the money for the same.

5. To see if the town will vote to authorize the selectmen to sell the South school building and land.

6. To see if the town will vote to shingle the North school building and to raise and appropriate the money for same.

7. To see if the town will vote to tar sections of town roads recently graveled; in proper condition to receive same, and to raise and appropriate the money for same.

8. To see if the town will vote to give the selectmen power to borrow money in anticipation of taxes.

9. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this Twenty-seventh day of February, in the year of our Lord nineteen hundred and Thirty-three.

WALLACE H. BATCHELDER,  
FORREST B. CREIGHTON,  
JOHN D. FOGG,

Selectmen of Hampton Falls.

A true copy of Warrant—Attest:

WALLACE H. BATCHELDER,  
FORREST B. CREIGHTON,  
JOHN D. FOGG,

Selectmen of Hampton Falls.

## SELECTMEN'S REPORT

The selectmen submit the following report for 1932. We wish to call the tax payers' attention to some excess expenditures and list a few causes that made them necessary.

The special election in January 1932 with its expenses of all the officers were causes for the excess cost on election and registration expense.

In order to meet all legal requirements in regard to the special town meeting called in September, it was necessary that several papers be properly filled out and signed by the court justice, causing several trips to Exeter.

Added to this was the call to Concord of the selectmen by the Governor in regard to relief laws.

Also the time necessary in cleaning up our tax sales and the selling of the tax property owned by the town. These are some of the main reasons for the excess expenditure on town officers' salaries.

The expense of widening the road on "Dodge's" hill made a big difference in the distance of road which would otherwise have been built with the construction money on the south road.

A new rule was made this fall in regard to men working on the snow plow. This was, that no man should work more than eight hours in the twenty-four, so as to give more of our men a chance to work during the winter. Our open winter has not given us much chance to give this rule a good working trial but we think it would prove satisfactory.

The tax payers will see in their Town Report that \$697.01 was spent as permanent improvement. This was money due the town from the state on a 1931 balance.

Respectfully submitted, WALLACE H. BATCHELDER,  
FORREST B. CREIGHTON,  
JOHN D. FOGG.

# SCHOOLS

---

## REPORT OF THE SUPERINTENDENT

To the School Board of Hampton Falls:

I, herewith, submit to you my third report as Superintendent of your schools.

Good teachers mean good schools. We may have a fine building, much expensive equipment, a plentiful supply of text-books and reference work and the best of administration but without a good teacher there is no real school. I believe Hampton Falls has two of the best of teachers in their respective fields.

The upper grades are being taught, during the current year, as last year, by Miss Muriel Church. She has developed in her pupils a love of reading—reading for pleasure and reading for information. The school library purchased this year proved but an incentive to further reading. A person who acquires the habit of reading is a happy person, a busy person and in the vast majority of cases a good scholar and a good citizen. We believe these things to be some of the chief objectives of education for the new conditions which must come in this world. The interest of the pupils has been aroused by a great variety of approach to sometimes uninteresting subjects. Pupil activity has been much increased and since we all “learn to do by doing” teaching is effective in proportion to the pupils own activity.

The improved method of reading mentioned in last year's report has been used in your primary room this year. By this method pupils come into contact with whole sentences, with complete ideas and with unified thoughts before

meeting separate words. By this approach the pupil realizes from the first that ideas are read and not a line of meaningless words. This method requires much preparation on the part of the teacher and I wish here to express my appreciation for the time and effort Miss Hunter has put into this work. She is securing results that are a satisfaction to all school officials and parents, I am sure.

The renovated building is a decided help to the efficiency of our schools. The rooms are conveniently arranged, well lighted and not overcrowded. With a relocation of the ventilators and the installation of outlet ducts the ventilation will be much improved. The school is now well supplied with maps.

I am sure the people of Hampton Falls appreciate the work of our school nurse. She has been interested in the health of our pupils. She has made many home visits to aid parents in the health problems of their children. Important as is the guarding of health during normal times, in periods of financial stress, when rigid economy is necessary in many families, such care is vitally important. The health of an entire school depends upon the health of each individual pupil.

Your school is being tested this year, as in former years, by the Stanford Test. It is planned, in addition, to give several specialized tests in order that we may arrive at an even more accurate diagnosis of each pupil's strengths and weaknesses.

As a measure of economy there is no music supervision in the schools of Hampton Falls. For the present it may be well to continue this economy but the results are not as satisfactory as a weekly visit of a trained supervisor would

make them. I should like to recommend that, as soon as financial conditions warrant it, a music supervisor be again engaged for Hampton Falls.

I wish once again to express my appreciation of the helpful co-operation of the School Board.

Respectfully submitted,

ROY W. GILLMORE,

Superintendent of Schools.

# SCHOOL STATISTICS, 1931-1932

## ATTENDANCE
